Your Pennies Can Change Lives

To local non-profits and the people they serve, your pennies can change lives. All because you saved money in your new merchant account. It's that easy. By sharing a portion of your savings – you pick the amount – your act of kindness combines with those of others for a huge impact on your community.

Here's how it works: Make two choices – a local non-profit and the portion of your savings to contribute. That amount, combined with other contributions like yours, will be presented to your chosen charity at the annual **GratisGives™** event.
